We hope that you will have wonderful memories of your time on a cruise boat.

Hiroshima Bay

Off the coast of Mitaka Port

Evening view of the Seto Inland Sea

Night view of the Seto Inland Sea

Itsukushima Shrine

Atomic Bomb Dome viewed from the boat

Ujina-ohashi Bridge

【TanoSEA! Hiroshima-Kure Cruise】 Boat: SEA PASEO, SEA PASEO2, Kyokuyomaru or Shoyomaru

Operated by Setonaikai Kisen (Ishizaki Kisen)

Ⓐ

The captain recommends:

A 45-minute cruise between Hiroshima Port and Kure Port. Relax and enjoy your sea voyage with a refreshing drink and some snacks from our onboard shop, while feeling the sea breeze on the rooftop deck! Around Kure Port, you can spot vessels of the Japan Maritime Self-Defense Force - sometimes even a submarine in operation.

【Hiroshima – Kirikushi Ferry (Osanpo Cruise)】 Boat: Kirikushi

Operated by Kamimura Kisen

Ⓑ

Captain Kadoto recommends:

The Hiroshima – Kirikushi route is the shortest route connecting Hiroshima City and Etajima City. The route offers nighttime panoramic views around Hiroshima Port as well as the islands of Tougejima and Ninoshima. Enjoy the nighttime views and the magical sights of the sea at night.

【Ninoshima Osanpo Cruise】 Boat: Kofuji 10

Operated by Kamimura Kisen

Ⓒ

The captain recommends:

A short excursion cruise with a round-trip time of 50 minutes. A 20 minute sea voyage will bring you to a nostalgic town that will make you feel as if you were back in the Showa era. On clear evenings, passengers can really enjoy a sunset cruise.

【Sunset Cruise】 Boat: Sea Friend Irifune

Operated by Setouchi Sealine

Ⓓ

Captain Hiramoto recommends:

As this cruise takes you along the westernmost route of all the ferries operating from Hiroshima Port, it offers wonderful sunset views with Miyajima to the west. The night vista to the west from Hiroshima Port as the sun goes down is also very beautiful.

【Miyajima Light-up Cruise】 Boat: Mikasamaru

Operated by Aqua Net Hiroshima

Ⓔ

The captain recommends:

Itsukushima Shrine was constructed by Taira no Kiyomori. The Great Torii Gate (designated as an Important Cultural Property) that stands 16 meters tall in the water is among the largest wooden torii gates in Japan. Enjoy a ride on a sightseeing boat and visit Miyajima from the sea.

【Hiroshima River Sunset Cruise】 Boat: River Cruise

Operated by Riversea Cruise

Ⓕ

The captain recommends:

Enjoy Hiroshima's scenery change with the seasons from the river in an open boat.
